CORRECTION OF INVENTORSHIP UNDER 37 CFR §1.324

This Statement is being submitted in support of Applicants' Request for Correction of Inventorship under 37 C.F.R. §1.324.

I have reviewed the above referenced patent.

I believe the addition of my name as an inventor is necessitated by the fact that I am the inventor of certain novel features which are incorporated into the claims of the above referenced patent.

Furthermore, this inventorship error occurred without deceptive intention on my part.

I therefore believe and respectfully submit that my name should be added to the names of Ronald Redline, David Sawoska, Peter Kukanskis and Donald Ferrier as actual inventors of the invention claimed in the above referenced patent.

Respectfully submitted,
